HOCCA NEWS

The daycare directory for 2010 is completed and you should have received it in your mail box by now. If not, please see your local post office, including Pingaring & Varley for your copy. Daycare will reopen on Tuesday 2nd February.

Daycare days for 1st term 2010:

Tues 8.30 - 5pm

Thurs 8.30 - 5pm.

For bookings call 9880 5135 (leave a message if daycare is unattended).

The daycare enrolment forms will be emailed to everyone on our email list later in January, but if you need to pick one up, we will leave some spare forms at the post office in Hyden.

Daycare staff and committee have undergone training in Identifying and Responding to Concerns for a Child's Wellbeing and a Positive Behaviour Guidance Workshop in the last few months. Some staff also attended workshops on Enchanting Environments and Sensory Processing. We would like to thank Gigga and Jocelyn for babysitting our children so we could concentrate on these courses. Our training at daycare is always on going to provide your children with a safe and happy environment to come to.

For all those who haven't paid their outstanding bill at daycare, please do so before we open on the 2nd. If you need account details, please get in contact with Bindi or Belinda. Official receipts will not be issued until full payment is made.

If anyone has any fundraising ideas this year, please let Belinda know, as daycare is always in need of money to keep the centre running.

Don't forget the Hyden book exchange. If you are in need of some holiday reading, pop in for a book (opposite the butchers) and make payment in the butcher shop.

Hoping to see all your children's happy smiling faces at daycare this year,

The HOCCA staff and committee.

**Notice of Survey Commencement:
Helicopter- assisted, regional gravity survey
for the Western Australian government
Southern Cross–Hyden area**

Atlas Geophysics wishes to advise that a helicopter-assisted gravity survey will shortly commence in the Southern Cross–Hyden region of Western Australia, as shown on the map.

The survey is being conducted on behalf of the Geological Survey of Western Australia (GSWA), a division of the Western Australian Department of Mines and Petroleum, and Geoscience Australia, a division of the Commonwealth Department of Resources, Energy and Tourism.

The objective of the survey is to support the regional geological mapping of Western Australia.

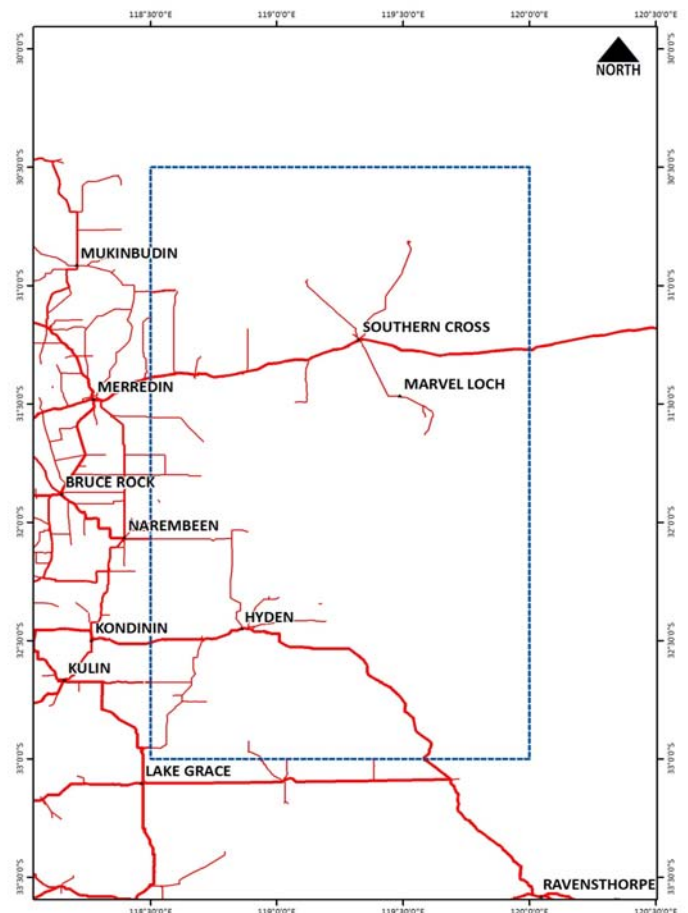

It is proposed that survey commencement will be on January 18th 2010 with completion before April 2010.

For any operational information and queries regarding the survey, please contact:

Leon Matthews, Atlas Geophysics.
