THE FARMER'S GARDEN

Plants and garden supplies for the country at city prices!!

Imagine if you could order plants for your garden and have them delivered to your local town at the same cost if you bought them at Bunnings, Waldecks or Dawson's in the city.

Well now you can...

Graeme Andrews and Scott French (both ex Narembeen boys) are pleased to present...

The Farmer's Garden...

Deliveries to your local town, frequency depending on demand. From seedling trays to 30lt pots, we can supply all your plant needs. Sizes, available in most lines, are seedling trays, 13cm, 17cm, 5lt, 8lt, 12lt and 30lt pots.

A promotional delivery is scheduled to be in Narembeen on Saturday morning 6th March. All stock on this delivery will be for sale and pre orders are welcome.

Initial orders for customers in the Hyden area will be delivered to Narembeen unless volume and or value is sufficient to make deliveries direct.

Contact Graeme Andrews on 0439 963 867, 9407 7406 or email thefarmersgarden@bigpond.com for more information and/or to be added to the mailing list.

Note: a minimum overall order value will apply before further delivery dates are scheduled.

Vote 1 for Kevin Fuchsbichler CBH District 3 Kwinana South

I am committed to keeping a co-operative structure to ensure growers are the sole beneficiaries.

I believe Grain Pool should remain wholly owned by CBH, grower owned and controlled, focussing on returning profits generated to growers accounts. NOT a corporate looking after external investors.

With the present CBH co-operative structure a hostile take over is nigh impossible.

Please Note - With the change in boundaries Hyden is now in District 3 Kwinana South and as such Kevin Fuchsbichler is your incumbent director. Wally Newman is the director for District 4 Albany.

**If you want CBH to remain a co-operative,
you MUST vote.**

Use your vote or lose your co-operative.

Merchandise Sales Support Hyden

Are you looking for a challenging role within a customer service & sales environment?

The Merchandise Sales Support role is responsible for providing support to the Landmark branch staff. You will perform a range of general administrative duties including providing customer service, inventory control & processing associated with merchandise orders including loading & delivery of Ag chemicals & fertiliser orders.

The successful candidate should be a true team player & demonstrate strong organisational & communication skills. A keen desire to learn is a must. Experience or familiarity with agricultural products is preferable. A forklift licence, drivers licence (HR preferable) would be desirable however is not essential. This position offers a tremendous opportunity for the right person to commence a career in rural merchandise sales.

In return Landmark will offer you a competitive package including performance based incentives and access to a wide range of employee benefits.

For further information contact Steve Wright on 0427 794 500 or apply on-line at our website:

<http://careers.landmark.com.au>

Ref: J002550. Applications close 2 March 2010.
