SIMS Baby Swim

Learning to swim is teaching your children a skill for life. 302 people drowned in Australia last year, 32 of them were children under 5. Let's turn that around and teach children how to swim at a young age.

Classes may be run at your local pool during the following dates in either a morning session or an afternoon session. Available dates are 28th December to 31st December 2009, 4th January to 8th January 2010.

Infants (6mths – 2yrs) maximum of 8 per class
\$10 per child per half hour session

Preschool (3-4yrs) maximum of 4 per class (a lot of 1 on 1) \$10 per child per half hour session

I am Simone Lockyer and I am currently working in Perth as a qualified Swimming Instructor of Infant Aquatics. Over the summer I will be located in Kondinin teaching the Vac swim program, but these courses are to be held at the Hyden Pool.

So if you are interested please contact me, on the details listed below: PH: 0488 172 797

EMAIL: rusty_sim_277@hotmail.com
