Notice of Survey Commencement: Helicopter- assisted, regional gravity survey for the Western Australian government Southern Cross–Hyden area

Atlas Geophysics wishes to advise that a helicopter-assisted gravity survey will shortly commence in the Southern Cross–Hyden region of Western Australia, as shown on the map.

The survey is being conducted on behalf of the Geological Survey of Western Australia (GSWA), a division of the Western Australian Department of Mines and Petroleum, and Geoscience Australia, a division of the Commonwealth Department of Resources, Energy and Tourism.

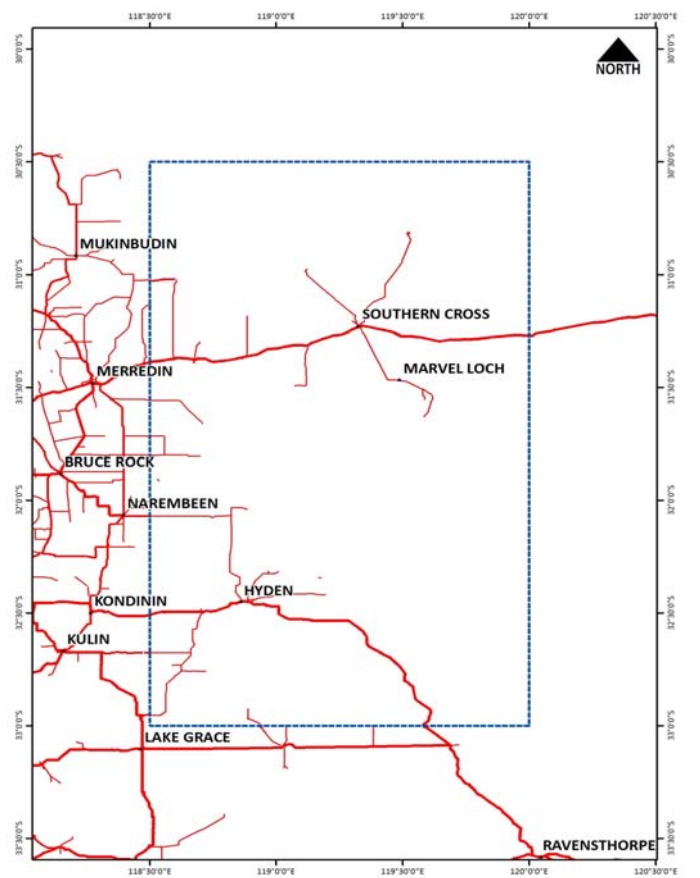

The objective of the survey is to support the regional geological mapping of Western Australia. It is proposed that survey commencement will be on January 18th 2010 with completion before April 2010.

For any operational information and queries regarding the survey, please contact:

Leon Matthews, Atlas Geophysics.

Email: leon.matthews@atalsgeo.com.au
