SIMS Baby Swim

Learning to swim is teaching your children a skill for life. 302 people drowned in Australia last year, 32 of them were children under 5. Let's turn that around and teach children how to swim at a young age.

Classes may be run at your local pool during the following dates in either a morning session or an afternoon session. Available dates are 28th December to 31st December 2009, 4th January to 8th January 2010.

Infants (6mths – 2yrs) maximum of 8 per class
\$10 per child per half hour session

Preschool (3-4yrs) maximum of 4 per class (a lot of 1 on 1) \$10 per child per half hour session

I am Simone Lockyer and I am currently working in Perth as a qualified Swimming Instructor of Infant Aquatics. Over the summer I will be located in Kondinin teaching the Vac swim program, but these courses are to be held at the Hyden Pool.
