Farewell From Jackie and Orm

As we pack up our home of the last 14 months, we have had a moment to reflect on the time we have spent here in Hyden.

We can both truly say that this has been a very welcoming, friendly place where we have met some fantastic people.

I am going to be able to work part time in Shark Bay and will have an opportunity to complete my Masters degree. I will only be on call after hours for 50% of the time so I might be able to relax a bit and not dread the phone calls!

It has been great to be working with such a great bunch of people in the St John Ambulance team, the FESA team and of course, the Silver Chain committee.

Thank you to everyone who we have met, the Progress Association, the Lions Club of Hyden and all of our new Hyden friends. Thanks also to Jolene and Julie who will be working until a permanent nurse is appointed.

We will be keeping tabs on the airstrip lighting proposal and the doctor situation!

Take care of yourselves and each other!

Please keep in touch and call in when you are in Shark Bay!

Kind Regards,

Jackie and Orm Tyler (Jtyler@silverchain.org.au)
